

Location of sculpture is to be either in a central location in the Centre Courtyard or on the raised platform of the Viewing Platform.

Blue Mountains Cultural Centre Sculpture Commission 2017

- Anchoring bolts (if required) must not exceed a depth of 40mm
- Total weight of sculpture and any associated plinths must not exceed 2 tonne
- Access to the viewing platform is via a doorway measuring 2300 x 2300mm. Alternatives would require a craning system
